# RECENT HOSPITALITY PROJECT COORDINATION

A current-work supplement to the historical site, concrete, and paver examples in this presentation.

## Hotel Entrance Canopy & Exterior

AHL lists structural reinforcement, corrosion protection, exterior panel finishing, and lighting and drainage details. The published scope provides a current exterior and drainage-coordination example.

## Related Restaurant Construction

Current portfolio examples include MASTI Indian Cuisine at Hyatt and a hotel Indian restaurant kitchen fit-out. Published work includes kitchen rough-in, hood and duct installation, gas/electrical routing, and finish coordination.

## Rye Coffee Shop - Bakery/Cafe Conversion

The updated company profile also includes the ReUnion Coffee project in Rye, New York. The published description covers a former bank converted to a bakery and cafe; no unlisted paving or site quantities are claimed here.

Source: AHL Group Inc. project pages at ahlgroupinc.blog/portfolio/ and ahlgroupinc.blog/ongoing-project/. Added scope is kept separate from the historic concrete and paver work.
